

# EQUIPMENT SCHEDULER

PLAN IT. TRACK IT. HANDLE IT.

- Automatically identify the most efficient asset for the job by availability and proximity – save time, fuel, and hassle
- Proactively manage rentals – always have the right equipment on every job
- Easy to use – send or print dispatch instructions in one click
- Gantt chart to show job site with the start and end date of each asset
- Schedule jobsite needs ahead of time
- Alleviate impact of current and future equipment shortages
- Schedule multiple assets at once
- Review dispatch requests from multiple team members to schedule accordingly
